

# HELLFIRE AT BARRISTER'S JUNCTION

## THE 2018 SASS MA-CT-RI STATE CHAMPIONSHIPS

### OFFICIAL VENDOR APPLICATION

We appreciate vendors and encourage you to join us in the SASS MA-CT-RI State Championship experience.

You contribute to the success and overall atmosphere of the shoot. Having vendors at our shoot is a win/win situation for vendors, shooters and spectators.

Vendor spaces are FREE, however, you must pre-register to reserve your space. If after registering you find out that you can't attend, please let us know. Any donations of product or "Gift Certificates" would be welcome and appreciated. Advertising in the shoot program and sponsorships are available. (See the other side for advertising information.)

Vendors are responsible for their own insurance. Massachusetts does have a sales tax of 6.25%. Vendors do not get free shoots, Friday night dinners or Saturday night tickets. If you wish to attend any of these functions, you may pay for them on the "Shooters Form". We reserve the right to refuse any application. Match dates are June 1-3, 2018. You may arrive as soon as Thursday, May 31, 2018. Camping spaces are "Dry Camping Only".

Please reserve your space as soon as possible (first come first served). We have no electrical service to the shooting area at this time. We may be able to assist you in the rental of a generator if necessary.

# ADVERTISING RATES AND INFORMATION

## **Mechanical Data**

Ad sizes are based on a two-column format. The ad rate dimensions reflect maximum dimensions and we will print your existing ad with a white margin to fit within that size and charge you for the actual maximum size rate.

The HGR Shooter's Program is a computer-to-plate one color (black) publication. We require pdf, eps or tif files in 300 dpi for halftones and line art. Film negatives are not accepted.

For HGR built ads, we will need a complete, rough layout indicating all elements and information of key importance. HGR reserves the right to vary the format from a supplied layout to meet design requirements. Standard typefaces and borders will be used unless otherwise indicated and supplied. All supplied art should be in pdf, eps or tif formats and 300 dpi.
